# TODAY'S LESSON OBJECTIVES:

1. CREATE SUSTAINABLE ART using rice glue and materials from nature. 😊
2. Before making your art, THINK ABOUT WHAT IS IMPORTANT TO YOU IN YOUR LIFE!
3. HAVE FUN! 😊
4. When finished, sign your name, take photo and share images
5. For clean up: put unused materials in the compost! Or, dig a small hole outside in the soil (in your own yard! This will be good fertilizer for plants to grow. You will feel good for helping the planet while having fun! 😊
